9.0 TIE BREAKING PROCEDURE:

- Teams that complete the round robin or round robin in each pool with identical win/loss records are considered tied.
- Teams tied for the 1st or 2nd position in the pool shall only be eliminated from advancing to the Championship Round or Gold Medal Game by playing a tiebreaker game(s).
- When teams are tied, their round robin win/loss record of those teams against each other shall be used to determine their ranking and therefore how the teams are positioned in each pool or the tie-breaking process. When the ranking of teams cannot be determined by comparing round robin win/loss records against the teams involved in the tie (ie. 3-way unsolvable tie), the ranking shall be determined by the implementation of the skill based team ranking process (SBTR).

- For pool competition, tie-breaking games will only be utilised to determine 1st and 2nd positioning in each pool if positioning is not determined by win/loss record. The skill based team ranking process will be utilised to determine 3rd to 5th positioning in each pool if unsolvable ties occur (i.e. no tie-breaker games).
- If a five-way unsolvable tie occurs, only three tie-breaker games (2 draws required) will be utilised. Team ranked #1 plays Team ranked #2, the winner receives 1st place and the loser receives 3rd place. Team ranked #4 plays team ranked #5, the loser receives 5th place and the winner advances to play the team ranked #3 with the winner receiving 2nd place and the loser, 4th place.

Skill Based Team Ranking Process (SBTR)

- The SBTR will be the average distance of a team's pre-game LSD shots for all round robin pool games.
- The SBTRS may be used to rank teams for the playoff round and any tiebreakers and rock selection. The lowest average distance shall receive the highest ranking and so on until ranking is completed.

10.0 SPORT PROTEST PROCEDURE:

- The Head Official is responsible for rule enforcement and interpretation on the ice, in all areas covered by the Rules of Curling for Officiated Play, rules in the Technical Package and any precedent. His/her decision will be final except in matters involving disciplinary actions where the CURLSASK Code of Conduct will be followed.
- If a Competitor/Coach wishes to protest a situation, other than the Head Official's on-ice ruling or decision, he/she shall deliver a written notice of protest to the CURLSASK delegate at least 2 hours prior to any game being played that would be affected by the potential protest.
- The protest shall concisely state the reasons. The protest shall be heard at a hearing at a time determined by the Sport Jury.
- All interested parties shall have a right to attend the hearing and be entitled to be represented at the hearing by an agent or by legal counsel and shall have the right to present evidence and arguments. The CURLSASK delegate shall be entitled to refuse adjournments, including adjournments that are being requested to enable an agent or legal counsel to attend.
- The decision of the Sport Jury shall be final and binding on CURLSASK and the Competitor/Coach. There shall be no further appeal from the decision of Sport Jury.
