

2016 SASKATCHEWAN SUMMER GAMES

TECHNICAL PACKAGE

Technical packages are a critical part of the Saskatchewan Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist the organizing committee by detailing tournament formats and scoring procedures, assist the Districts and Provincial Sport Governing Bodies (PSGB) in verifying eligibility, help with budgeting by describing the number of participants permitted, advance coaching certification by stating minimum requirements and generally contribute to athlete development by identifying each PSGB's version of developing young amateur athletes.

Every Saskatchewan Games' coach, manager, host sport directors, District sport contacts and District sport councils has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete his or her eligibility for the Games and could affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, he or she is to seek clarification from the Saskatchewan Games Council or the respective PSGB.

Technical Packages are developed primarily by PSGBs, following principles, guidelines and requirements of the Saskatchewan Games Council. As the overall governing body of the Games, the Council has the ultimate authority for Technical Packages, but this authority is exercised only with the knowledge and understanding of the PSGB concerned.

Changes initiated by the PSGB must be directed to the Saskatchewan Games Council for approval. The proposed changes must have solid rationale for enhancing the sport technical requirements. Changes to age groups, eligibility requirements and team sizes or staff compliments after 18 months prior to the games will not be considered.

DISTRICT ATHLETE ELIGIBILITY

1. The Saskatchewan Games shall be open to Saskatchewan residents who are Canadian citizens or who have landed immigrant status for a minimum period of one year prior to the Games.
2. Each district team shall be comprised of eligible athletes whose Saskatchewan domicile or actual residence for at least six months prior to the Games, was located within the recognized boundaries of the district they are representing. In the event an athlete moves from one district to another, less than six months prior to the start of the Games, a special request may be made to the Saskatchewan Games Council to determine eligibility.
3. Students enrolled and attending secondary or post-secondary school on a full-time basis outside their district residence may elect to compete in a district play down in either their home district or academic resident district, but not both.

Students attending a secondary school outside their home district must be enrolled in a minimum of 60% of the eligible credits to be considered a full time student.

Students attending a post-secondary school outside their home district must be enrolled in a minimum of the equivalent 3 full time classes per year to be considered a full time student.

4. Athletes residing outside Saskatchewan

Individual Sports:

Athletes residing at an address outside Saskatchewan are eligible to participate in the Saskatchewan Games if they meet the following conditions:

- They reside near the Saskatchewan boundary and attend school on a full time basis in a recognized Saskatchewan education system;
- In the year of the Saskatchewan Games they must be a registered member of the appropriate Saskatchewan Provincial Sport Governing Body and shall not be a member of another province;
- They are eligible for membership with a PSGB in Saskatchewan.

Team Sports:

- If a team has members from outside the Province of Saskatchewan, the team will be eligible if these criteria are met:
- The majority of the team resides in Saskatchewan or attends school on a full time basis in a Saskatchewan based education system, and the others live within reasonable commuting distance;
- In the year of the Saskatchewan Games they must be a registered member of the appropriate Saskatchewan Provincial Sport Governing Body and shall not be a member of another province;
- They are eligible for membership with a PSGB in Saskatchewan.

5. District Team Eligibility

Sports using Club Team selection

- When a team roster is comprised of athletes residing in different districts, the following criteria will determine which district the team will represent:
- In the year of the Saskatchewan Games they must be a registered member of the appropriate Saskatchewan Sport Governing Body;
- Where a team has members from two or more Saskatchewan Games Districts, and is registered in a recognized league, it shall compete in the district where the majority of the players reside. Teams in this position may have members living in adjacent districts within reasonable commuting distance.

6. The games shall be open only to amateur athletes recognized as such by the applicable PSGB.
7. For each Games an athlete may participate in one sport only in each half, however an athlete may elect to try out for different sports in the district team selection process. Upon acceptance of selection to a district team in that half the athlete must remain with that team until the completion of the Games and is not eligible to try out for another sport.
8. Coaches, managers and athletes may participate in more than one sport. However, they may only participate in one sport in each half of the Games.
9. The age classification for participation in the Saskatchewan Games is based on the LTAD model for each sport. Recognizing the multi—sport environment that athletes are exposed to at the Games, each sport shall consider the maturity level of the athlete when establishing its age classification.
10. Eligibility of athletes for the Saskatchewan Games program must be clearly identified by the PSGB in each respective sport technical package.
11. Prior to the games, the eligibility of any athlete not clearly established by these rules shall be determined by the Saskatchewan Games Council. During the Games the eligibility shall be determined by the Games Jury.
12. Coaches, managers and athletes of the district team must stay in the athletes' village during the games.

9.0 TIE BREAKING PROCEDURE:

Ties in the results of a Round Robin competition shall be broken as follows:

- a. If two (2) players/doubles teams are tied with the same number of points, the tie is broken as follows: The head-to-head result of the two (2) players/doubles teams.
- b. If three (3) players/doubles teams are tied with the same number of points, the tie is broken as follows:
 - i. The percentage of sets won of sets played against all other players/doubles teams in the group (i.e. total sets won divided by total sets played).
 - ii. If, after this calculation, only two players/doubles teams remain tied, the result of the head-to-head match played between the two (2) players/doubles teams will be used to break the tie.
 - iii. The percentage of games won of games played against all players/doubles teams in the group (i.e., total games won divided by total games played).
 - iv. If, after this calculation, only two players/doubles teams remain tied, the result of the head-to-head match played between the two (2) players/doubles teams will be used to break the tie.
 - v. If, after this, there are still players/doubles teams that remain tied, then the order will be drawn by lot.
- c. In applying the tie-break procedures above, the results of matches involving a match default or a retirement shall be used in determining the percentage of sets and games won. When a player/team retires or is defaulted from a match for a violation involving dress or punctuality, the full score shall be recorded.

Example: Player A leads by 6-1 2-0 when Player B must retire. Player A's victory shall be recorded as 6-1 6-0. A walkover or a default for dress or punctuality counts as a straight set win or loss for the players/teams involved in the match (6-0 6-0). If a player withdraws or is a no-show for the entire tournament, or if the player is defaulted from the tournament, all of his/her results from matches played are void and not to be considered. Similarly, any player/team defaulted pursuant to the Code of Conduct during the Round Robin event (except in the case of violations involving dress or punctuality) shall be defaulted from all

other matches in the Round Robin, and may not be declared the winner of the Round Robin; all of his/her results from matches played are void and not to be considered.
