SaskSport: Membership Assistance Program

For Provincial Sport Governing Bodies to increase the number of participants and develop sport in Saskatchewan communities through MAP's clubs, leagues or other affiliated members.

www.sasksport.sk.ca/funding.php

SaskSport: Parasport Equipment Grant & Parasport Club Development Grant

The costs of specialized (adapted) sports equipment for people with a disability in sport is a significant barrier to their participation. This grant program will assist in the purchase of adapted equipment which meets manufacturer's qualification standards for disabled sport participation/competition. The costs of starting new sport clubs for people with a disability at the community level is high. This program is designed to support new developmental programs in communities or the expansion/enhancement of existing programs (e.g. integration of athletes with a disability in programming, new age categories). In either case the goal is to increase participation opportunities for people with a disability.
