

Moving Together Symposium:

Solutions for a Healthy Active Community

November 23, 2017

Where: AGT Community Complex - Mezzanine

When: 10:00 AM – 3:00 PM

Be a part of the solution and join other community members, leaders and decision makers to:

- Hear how others are making a difference to be more active.
- Find out what can be done together as community partners.
- Participate in developing realistic local actions to make physical activity an easy choice.
- Celebrate what’s happening in our community!

Agenda Highlights

- **Keynote speaker: Dr. Louise Humbert**
 - Professor - College of Kinesiology
 - University of Saskatchewan
 - Past President PHE Canada
- **Community Physical Activity Profile**
- **Active Community Workshop**
