- Coaches and managers must stay with their team/athletes in the dorms set up at the Athletes Village. Each sport will be lodged together. There are bunk style beds that are in each of the dorm rooms.

For sports that are competing and cannot return to the Athlete's Village at the designated mealtimes, boxed lunches will be supplied for you at your venue. Coaches must contact the Mission Staff that is assigned to them to organize the ordering and delivery of boxed lunches. There must be a legitimate reason for requesting boxed lunches. The Mission Staff will then submit the form for approval.

**There will be lockers made available to the athletes, coaches & managers to use while at the Games. You need to bring your own lock to secure the locker. It is highly recommended that you put any valuables in the locker when you are not at the Athlete's Village. Every Games there are items that go missing because they are not secured properly. It is also recommended that you do not take your phone or anything of value with you when you go to the showers because they could turn up missing. The host committee, Saskatchewan Games Council and Rivers West District are not responsible for any lost or stolen items while you are at the Games.

GOOD LUCK!! GO TEAM RIVERS WEST!!
