Two Minutes of Silence

*The most sacrosanct and central element in Remembrance
is the Two Minutes of Silence.*

At the 11th hour of the 11th day of the 11th month, the month, day and time in 1918 when the First World War ceased hostilities, Canadians pause to observe two minutes of silence to honour the Fallen, and recognize the sacrifices or servicemen and women.

The Two Minutes of Silence is a poignant moment in the Remembrance Day Service that incorporates symbolic association in a brief, non-religious ceremony.

FUNDING OPPORTUNITY

Community Rink Affordability Grant Opens

Skating and curling rinks are integral to the creation of vibrant, active, and connected communities in Saskatchewan. Recognizing the escalating operating costs communities and organizations face, SPRA has once again partnered with the Government of Saskatchewan to offer the Community Rink Affordability Grant.

In 2022-23, a total of the 581 ice surfaces received funding, including 376 skating rinks and 205 curling rinks. A \$2,500 grant is available for each ice surface, per year, for municipally owned facilities, schools, Indigenous communities and non-profit organizations.

Find eligibility information and more details about this grant on [SPRA Website](#). Applications can be submitted until **January 15, 2024**.

FUNDING OPPORTUNITY

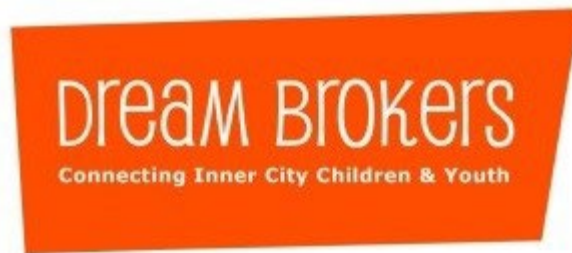

SLA is pleased to once again be offering program grants for Family Literacy Day!

Family Literacy Day takes place each year on January 27 to raise awareness about the importance of reading and family literacy. **These \$200 grants are available to SLA's individual or institutional members to support them as they celebrate and promote Family Literacy Day.** The 2024 theme for Family Literacy Day is "Let's have a family party!"

Grant applications are now open, and will close on Nov. 30, 2023. Applications will be assessed on how well the program aligns with the theme of fostering family literacy.

November 2023 Update:

Wow where has the month gone? October flew in and out like a witch on her broom stick.

November is looking like it is going to be a busy month packed with Student led Conferences, the start of afterschool arts and crafts program at both schools, some baking classes, as well as the wrap up of Dance class at Connaught.

Dance is going awesome at Connaught with 22 students signed up. The students really seeming to be enjoying it; many say it is the best part of their week.

Arts and Crafts club is beginning mid November for both schools with service provider Sonya Falcon. Students will be doing a couple of different, fun projects.

Judo is running at Connaught with 24 students enrolled for the year. The program has changed a bit and now runs twice a week from September to May.
