# Membership

Rivers West membership will provide you with access to exciting benefits and information on grants and funding assistance, direct delivery programs, program support, networking opportunities, communication directory, partnership opportunities and connection to the Global organizations which include SaskSport, Sask Culture and Sask Parks and Recreation. Check out our Annual Membership information here.

# Stay Connected

We will keep you connected to the sport, culture and recreation world.

- Receive updated information from our district and province by subscribing to our Newsletter
- Join us on Facebook to receive daily updates from our District
- Stay connected through our Links to other recreation happenings and organizations.

# Programs

We offer a variety of programs to support and celebrate your community and your people.

- We are here to support you and connect you with other recreation leaders in the District through Community Visitations
- Learn more about our District Dream Broker Program
- Learn more about how to support local athletes in the Saskatchewan Games Program
- Nominate a volunteer for our Volunteer Recognition Program, and let us celebrate their story.

# Grants & Funding

We are here to support and champion your efforts to inspire community well-being to provide you with or direct you to Funding opportunities that help bring your initiatives to life.

# Workshops

We will partner with you to meet the needs of your community through various workshops, training events and opportunities to showcase your community:

- Rivers West District Workshops
- Partner Workshops
- Fill out our Expression of Interest form to host a variety of workshops or training initiatives.

# News & Events

In partnership with communities and organizations in the District, Rivers West assists with or promotes many amazing happenings throughout the year including News & Events . Share your events with us and we will share them on our website and on Facebook.
